

# Bryant & Stratton College

Personal Education. Lifetime Success.®  
Since 1854

Dear Alpha Beta Gamma Nominee:

On behalf of the Kappa Rho Chapter, I would like to congratulate you on achieving academic excellence. A grade point average of 3.50 or higher and successfully completing 36 credit hours or more in your academic degree program has enabled you to be invited to become a member of a prestigious international honor society that recognizes academic excellence.

Alpha Beta Gamma (ABG), in existence since 1970, is the international honor society for students who attend two-year colleges. Membership in ABG provides an opportunity for the development of leadership qualities and is an excellent addition to applications to four-year colleges and on employment applications. In addition, members have the option to wear special honors stoles at graduation. You can find more information about Alpha Beta Gamma (ABG) Honor Society by visiting their website at [www.abg.org](http://www.abg.org).

We invite you to join the Kappa Rho Chapter at Bryant & Stratton College and receive recognition for being an outstanding student. An application form and further readings about ABG have been enclosed. If you are interested in joining, please complete the application and submit payment.

You have two ways to accept this invitation – by mail or by email. If you prefer to mail these materials, please complete the online application via the link provided in the email and return payment to me at the address below. Please include your lifetime membership fee of \$39.00 making your check or money order payable to Bryant & Stratton College. If you prefer to accept this invitation electronically, I would recommend that you complete the online application via the link provided in the email and pay your membership by contacting the Business Office at Bryant & Stratton College Online Education.

Congratulations on your academic success and nomination to be invited to become a member of Alpha Beta Gamma. If you have any questions or concerns, please let me know.

Sincerely,

Allison Kozak, Registrar
