Introduction: How to Use This Booklet

School counselors and school psychologists in Cabell County School District compiled this resource booklet. It is not intended to be a comprehensive list, but rather, one that is user friendly and reasonably reliable as far as quality of service. To maximize the utility of this booklet, please consider the following factors before using this booklet with students, families, and fellow staff members. *Direct referrals* can only be made to state agencies, such as Cabell County Mental Health or Federal agencies, such as Tricare and only in consultation with the parent or guardian.
