Directions

Instructions: Referring to the rating descriptions below, click on the rating level that best describes the intern's performance on each standard. In order to complete the program successfully, interns must have met every standard at the "Proficiency" level or higher. For a "Proficient" rating, all criteria connected by "AND" must be met; if one or more of the individual items connected by "AND" are not met, the mentor should select a "Not Met" rating of "Developing" or "No Evidence." Provide a comment below for any rating at a "Not Met" or "Advanced" level. It is expected that few ratings of "Advanced" will be assigned. Interns who receive any "Not Met" ratings will receive remediation before successful completion of the licensure program. Remediation may involve targeted mentoring on specific standards and extended time to provide additional evidence.
